

Proactively Prepare Your Home For Winter

1. AMP UP YOUR ENTRYWAY STORAGE

- Tiered Boot Storage
- Storage Chest with Foldable Bin
- more...

2. STOCK UP ON WINTER SUPPLIES

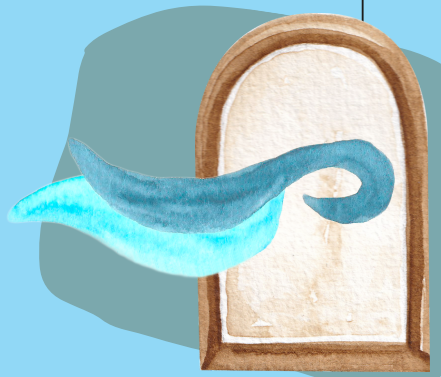

Visit www.redcross.org/get-help/how-to-prepare-for-emergencies/survival-kit-supplies.html

3. CHECK SAFETY DEVICES

4. DEFEND AGAINST DRAFTS

Learn more about caulking and weather-stripping options.

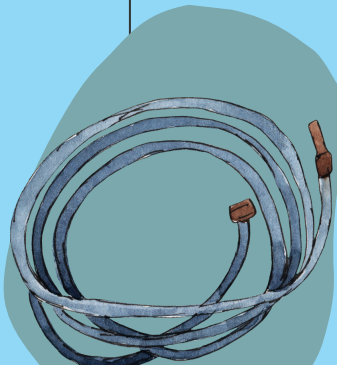

5. INSPECT AND CLEAN HEAT SOURCES

Clean your furnace vents to improve efficiency, safety and comfort. Visit our blog for tips on fireplaces & chimneys.

6. CLEAN OUT THOSE GUTTERS

A cornucopia of issues can crop up if your gutters or downspouts have clogs, corrosion or breakage.

7. TURN OFF AND STORE EXTERIOR FAUCETS AND WATER OUTLETS

For a full list with details and tips on each step, visit: davistowle.com/blog/homeowners/prepare-your-home-for-winter/
